THANK YOU

The Town of Lebanon, Mayor and Council would like to send a heart-felt Thank You to all that made the annual Old-Fashioned Christmas on the Lebanon Middle School Lawn and “Christmas Memories” Parade such a success on December 2.

All the parade entries made for a great night, despite the frigid temperatures.

Thank you to every business, school, church and community organization who decorated a tree. They are absolutely gorgeous and will be enjoyed all Christmas season.

Thank you to those that came out and provided hot drinks, smores, fire pits, face painting and games at the festival.

Thank you to Ms. Hardy and the Lebanon High School and Lebanon Middle School choirs for entertaining the community with beautiful Christmas Carols.

Thank you Mr. and Mrs. Ron & Eliza Peters for taking time out of their busy schedule to come and visit our children and the community as Santa and Mrs. Claus.

Thank you to the Russell County Chamber of Commerce Director Angie Carpenter for partnering with the event and helping make the Santa stage so amazing.

The night’s event was sponsored by Town of Lebanon, Lebanon Lions Club and Russell County Chamber of Commerce. The success of this event could not have been possible without each and everyone that participated!
